Section 2 : SPECIAL TECHNICAL CLAUSES

204. Change Notification (10/1/96).

(a) Seller agrees to advise Buyer's authorized purchasing representative of any change, initiated by Seller, to the form, fit, or function of the component or material furnished under this contract. Furthermore, any change involving a substitution of material or changes in Buyer-approved manufacturing processes will be submitted to Buyer's authorized purchasing representative for processing and review. Buyer will, within 15 days after receipt of the written notice, notify Seller of acceptance, rejection, or other status of such changes. In no event will Seller incorporate such changes without Buyer's prior written approval. All supplies to be delivered will incorporate all changes and revisions which are approved by Buyer under this clause, commencing with the agreed effectivity of such changes.

(b) Nothing contained in this clause will excuse Seller from performing in strict compliance with the terms, conditions, delivery schedule, specifications, or any other provision of this contract.

(c) Noncompliance with this change notification requirement may result in subsequent rejection of delivered items and actual and/or consequential damages.
