Section 2 : SPECIAL TECHNICAL CLAUSES

207. Technical Direction (10/1/96). Performance of the work hereunder will be subject to the technical direction of Buyer's Program Technical Representative. As used herein, technical direction is direction to Seller within the scope and price of this contract. Direction that involves a change in price, period of performance, scope of work, or other provisions of this contract will be issued in accordance with the terms of the Changes clause of this contract, and Buyer will not be liable for any adjustment in price, period of performance, or any other provision of this contract by reason of any direction from said Technical Representative or any other person unless such direction is issued in writing by Buyer's authorized purchasing representative under the Changes clause.
