

## Section 9 : GOVERNMENT CONTRACT REQUIREMENTS

---

### CLAUSE 933 (10/11/96)

#### MDSSC-91-783C

#### LOT 2 - DELTA II FOLLOW-ON PROGRAM

(a) This contract is in support of Delta II Follow-On Program - Lot 2. A portion of this contract is under Buyer Prime Contracts MDSSC-91-783C, F04701-91-C-0031, F04701-93-C-0004, NAS5-30722, and SDIO84-92-C-0001. The specific amount and applicable DPAS rating are set forth below. Both parties hereby agree that, except for DPAS regulations, all provisions in this contract apply to the entire contract. If the rated portion of this contract exceeds \$5,000, this is a rated order certified for national defense use, and you are required to follow all the provisions of the Defense Priorities and Allocations System regulation (15 CFR 700). If this is a unilateral rated order, you are required to acknowledge this order in writing within five working days. Seller agrees to comply with the appropriate DPAS rating in a manner to make deliveries corresponding to the government program requirements as follows:

F04701-91-C-0031 USAF DX-A2 30%

F04701-93-C-0004 USAF DX-A2 10%

NAS5-30722 NASA DO-A2 10%

SDIO84-92-C-0001 SDIO DX-C9 10%

MDSSC-91-783C Commercial Unrated 40%

As program needs dictate, Buyer may from time to time modify the allocation percentages identified herein. Such modification will not be grounds for an equitable adjustment to this order.

In the event of a conflict between this DPAS language and any other DPAS language contained in this agreement, this clause shall control.

(b) If Clause 601 is incorporated in this contract, then Clause 221, Quality Requirements for Delta Commercial, is incorporated herein by this reference.

(c) The supplemental prime contract flowdowns for the prime contracts listed above are as follows:

F04701-91-C-0031 - Clause 923, which is incorporated herein by this reference. Clause 923 can be found in Section 9 of the July 1995 MDA S&DS Terms and Conditions Guide.

F04701-93-C-0004 - Clause 937, which is incorporated herein by this reference. Clause 937 can be found in Section 9 of the July 1995 MDA S&DS Terms and Conditions Guide.

NAS5-30722 - Clause 914, which is incorporated herein by this reference. Clause 914 can be found in Section 9 of the July 1995 MDA S&DS Terms and Conditions Guide.

(f) Duty-Free Entry - Additional Provisions

Notification Applicable to All Foreign Supplies In addition to any data required by paragraph (b)(1) of the Duty-Free Entry clause, Seller shall furnish the following for all foreign supplies to be imported pursuant to paragraphs (a) or (b) of the Duty-Free Entry clause. This information must be furnished to the Contracting Officer administering the prime contract, through Buyer, immediately upon award of any subcontract involving supplies to be accorded duty-free entry.

(1) Prime contractor name, CAGE code, address, and prime contract number plus delivery order number, if applicable.

(2) foreign supplier name and address;

(3) number of the subcontract/purchase order for foreign supplies;

(4) total dollar value of the subcontract for foreign supplies;

(5) expiration date of the subcontract for foreign supplies;

(6) list of items purchased; and,

(7) certification by the purchase of foreign supplies.

I certify that all such supplies for which duty-free entry is to be claimed are intended to be delivered to the Government or incorporated in the end items to be delivered under this contract, and that duty shall be paid by the Contractor to the extent

that such supplies, or any portion thereof (if not scrap or salvage) are diverted to nongovernmental use other than as a result of a competitive sale made, directed or authorized by the Contracting Officer.

(g) ABM Treaty Conformity

The Scope of Work is in conformity with the ABM Treaty. In consonance with this, Seller will plan and conduct its detailed performance of this contract in a manner which retains the program adherence to the treaty terms as defined by the Government. The Government, through Buyer, will provide assistance and treaty interpretation as required.

(h) Technology Application

(This clause applies only if this contract involves experimental, developmental, or research work.)

Seller shall report any innovation to Buyer within two months after such innovation is identified as a result of the work performed under this contract. An innovation is any new idea, method, process or device that has potential or apparent utility in applications different from the specific SDI application for which it was originated and is either a more effective means of accomplishing a work objective or constitutes an advance in the state of the art. An innovation includes inventions but is not limited to inventions. The report on an innovation shall include the following:

(1) Title: A short meaningful title identifying the specific nature of the innovation.

(2) Graphics: Any illustration which will aid in understanding the nature, function, or application of the innovation.

(3) Description: A narrative description in sufficient detail to enable someone else working in the technology area and having a need or application for the innovation to request further details. This section should include technical functional specifications, operational parameters, and status (availability) of the innovation.

(4) Characteristics and Potential Applications: A narrative of the unique characteristics and potential applications, including commercial applications, and potential capabilities of the innovation if further developed

(5) Reports: A listing of reports published regarding the innovation or the associated technology by title and report number.

(6) Source: The point of contact for obtaining more detailed information regarding the innovation to include name or office, corporation or institution, address, telephone, and contract number.

A copy of the report shall be sent directly to:

Office of Technology Applications

SDIO/TNO

Washington, D.C. 20301-7100

The purpose of establishing a reporting requirement on innovations is to create a computerized data base for the rapid and effective exchange of technical information among all Government contractors and potential Government contractors who have been approved in accordance with procedures established by the Under Secretary of Defense for Research and Engineering under DOD 5230.25 (Withholding of Unclassified Technical Data from Public Disclosure). The technical information will foster efficient and cost-efficient developments of new products both for use by the Government as well as in the commercial field. Exchange, if any, of commercial rights retained by the Seller in the innovation will be between the

non-governmental parties, but the exchange will recognize and acknowledge the rights of the Government obtained under the technical data and patent rights clauses included in the contract between the Government and the owner of the rights of the innovation.

The Seller shall review all work performed under this contract on a semi-annual basis and provide a report to Buyer certifying that all innovations have been identified and reported. This requirement for reporting innovations will be included in the schedule of all subcontracts, at any tier, under this contract requiring the performance of experimental, developmental, or research work.

(i) Notification of Transportation of Supplies by Sea

(This clause only applies if Seller submitted a negative response to solicitation representation entitled "Transportation of Supplies by Sea".)

(1) Seller has represented that it did not anticipate transporting by sea any supplies, as defined in the clause at 252.247-7203, Transportation of Supplies by Sea, in the performance of this contract. If, however, after the award of this contract, Seller should learn that supplies will be transported by sea, Seller shall notify the Contracting Officer through Buyer of the fact that transportation by seal will be used and hereby agrees to comply with all the terms and conditions of the clause entitled "Transportation of Supplies by Sea", contained in this contract.

(2) Seller shall include this clause, including this paragraph (2), revised as necessary to reflect the relationship of the contracting parties, in all subcontracts hereunder.
