(d) General Safety and Accident Prevention - "Contractor" and "Offeror" shall mean Seller, and "KSC Safety Office" shall mean MDC's Safety Office. The contractor will be required to participate in the KSC Safety Program. The primary safety and health responsibility will be with the prime contractor, and will include the following:

(1) Maintaining continuous surveillance of Industrial Safety Operations in the contractor's contractual areas for detection and correction of unsafe practices and conditions.

(2) Ensure that working conditions and practices in areas of contract responsibility are maintained in a safe manner.

(3) Coordinating with KSC Safety Office (SF-SAF) on all matters pertaining to accident prevention, whether between the contractor or other contractors, or NASA elements and the contractor.

(4) Submitting a written safety program (Plan) stating how the contractor will implement the Safety program to the Director, Safety, R&QA and Protective Services, for review and approval in accordance with the DRL/DRD SRQ-1 shown in the contract. The Safety Plan should be written in accordance with KSC GP-509D, "Contractor/User Safety Program Guidelines."

(5) Submitting a Quarterly Safety Summary Report in accordance with the DRD SRQ-2 shown in the contract. Information should contain (as a minimum) items listed in Section V of KSC GP-509D.

(6) Ensuring that contractor employees are provided with and use safety clothing and equipment for hazardous operations. Responsibility for "furnishing" this clothing and equipment lies with the contractor, except when otherwise authorized by contract or any revisions thereof.

(7) Complying with KMI 1710.1F, dated April 21, 1988, entitled "Safety, Reliability and Quality Assurance Programs," and the safety and health provisions contained therein, but not limited to, documents shown in a listing issued by the Director, Safety, R&QA and Protective Services.

(8) Complying with KMI 1710.13F, dated May 19, 1988, entitled "Technical Operating Procedures Policy," for all operations performed at KSC and ESMCR 127-1, Range Safety, for all operations performed on CCAFS by the contractor.

(9) Notifying the KSC Safety Office (SF-SAF) immediately when contacted by personnel from the Department of Labor. Furnishing the KSC Safety Office copies of all correspondence reports relating to inspection performed under the Occupational Safety and Health Standards by the Department of Labor.

(10) Furnishing a written report to the KSC Safety Office of all deficiencies with equipment and facilities in violation of the Occupational Safety and Health Standards which are under their contract SOW. Contractor is responsible for maintaining his assigned equipment and facilities in compliance with OSHA standards and regulations.

(11) The contractor agrees to insert this clause, including this paragraph 121 and any applicable Schedule Provisions, with appropriate changes of designations of the parties, in subcontracts of every tier unless the Contracting Officer makes a written determination of exemption from this clause.

Nothing herein shall be construed as imposing upon the contractor any duty to assure or otherwise assume responsibility for the safe operations of any other contractor or their subcontractor performing work on behalf of the Government at the John F. Kennedy Space Center or for the personal safety of the agents, servants or employees of any such other contractors or subcontractors.

(e) Designation of New Technology Representative and Patent Representative

(1) For purposes of administration of the clause of this contract entitled "New Technology" or "Patent Rights - Retention by the Contractor (Short Form)," whichever is included, the following named representatives are hereby designated by the Contracting Officer to administer such clause:

New Technology Representative	John F. Kennedy Space Center, NASA DE-PMO-A Kennedy Space Center, FL 32899
Patent Representative DE-PAT	John F. Kennedy Space Center, NASA Kennedy Space Center, FL 32899

(2) Reports of reportable items, and disclosure of subject inventions, interim reports, final reports, utilization reports, and other reports required by the clause, as well as any correspondence with respect to such matters, should be directed to the New Technology Representative unless transmitted in response to correspondence or request from the Patent Representative. Inquiries or requests regarding disposition of rights, election of rights, or related matters should be directed to the Patent Representative. This clause shall be included in any subcontract hereunder requiring a "New Technology" clause or "Patent Rights - Retention by the Contractor (Short Form)" clause, unless otherwise authorized or directed by the Contracting Officer. The respective responsibilities and authorities of the above-named representatives are set forth in 18-27.375-3 of the NASA FAR Supplement.

(f) Financial Reporting of Government-Owned/Contractor-Held Property

(1) Seller shall prepare and submit annually a NASA Form 1018, report of Government-Owned/Contractor-Held Property, in accordance with the instructions on the form and subsection 18-45.505-14 of the NASA FAR Supplement, except the reporting of space hardware shall be required only upon the written directions of MDC identifying the specific project items to be reported.

(2) Seller shall submit annually the original and three copies of NASA Form 1018 to the address below:

McDonnell Douglas Space and Defense Systems
P.O. Box 21233
Kennedy Space Center, FL 32815
Attention: Buyer/Subcontract Administrator

(3) The annual reporting period shall be from October 1 of each year to September 30 of the following year. The report shall be submitted by October 10.

(g) Flowdown Provisions

This contract may be amended to the extent necessary to provide for the inclusion herein of additional applicable provisions required to meet MDC's obligations under its contract with NASA under which this contract is charged.
