

**IDS Terms and Conditions Guide**  
**Section D**

**Clause Number: D509L**  
**Effective: 11/4/2005**  
**Page: 1 of 1**

**DOUGLAS PROCESS STANDARDS (DPS)/DOUGLAS MATERIAL SPECIFICATIONS (DMS)**

Seller shall comply with Douglas Process Standards (DPS) and/or Douglas Material Specifications (DMS) set forth in this contract and shall, at a minimum, update the DPSs/DMSs to the latest revisions, as set forth in the Long Beach Parts Structure Navigator (PSN), at the beginning of each calendar quarter; provided, however, that such update is made at no additional cost to the Buyer. If any update may have a cost/price or schedule impact for which Seller may submit request for an increase or decrease in the cost/price or schedule of this contract, Seller shall not incorporate any such change without specific direction of the Buyer's Authorized Purchasing Representative in the form of a Purchase Order Change Advice (POCA) and shall submit a proposal for such cost/price or schedule impact to Buyer's Authorized Purchasing Representative.

In order to comply with this clause, Seller must:

1. Get a user ID and password on the Boeing Partners Network (BPN) (<https://bpn.boeing.com>).
2. Once you are logged onto the BPN you can request a user ID and password to the PSN.

If the Seller is unable to obtain access to the above internet address, or has any questions, Seller shall immediately contact the Buyer for information regarding such access or latest information regarding DPS/DMS revisions.
